

March 5, 2007

Mr. Jim Walton
JW's Pipeline Integrity Services, Inc.

Dear Jim:

On behalf of the Twin Cities Section of NACE International, thank you for speaking at the 2007 NACE 10,000 Lakes Pipeline Corrosion Control Seminar at the Mystic Lake Hotel in Prior Lake, Minnesota.

Your presence and contributions were instrumental to the success of the seminar. Your presentations were consistently rated good and excellent on the evaluation forms submitted.

It was a pleasure working with you at the seminar, and I hope you will consider coming back in the future. Thank you again for your major contribution to pipeline corrosion control.

Sincerely,

Marty Iozzo
